Compels us in the middle of the busy season to not only increase our force of salesmen, but to enlarge our salesrooms. By extensive improvements we have now more room for each of our separate departments, viz: MEN'S CLOTHING, BOYS' CLOTHING, HABERDASHRY and TAILORING. Ours is now the best equipped house in the Southwest. No better evidence is wanted that the people are patroniz ing as liberally. Other houses are currailing their force and reducing stock, while we are positively driven to improvement. We have just placed in stock 15 cases MEN'S and BOYS' CLOTHING, goods bought at a tremendous sacrifice, and which enables us to offer unusual inducements the coming few weeks. Honest goods at the lowest prices, together with proper treatment tell the tale. The working men now make our house headquarters.
